hold on to this?
wallet
Yuya
The day before my father killed himself he called me by my mother's name when he handed over that wallet

you mustn't go in.
Child.
The next day, my father died
Didn't mother give this wallet to father?

I was told so a year before my father died
I killed her.
My father loved my mother
My mother was free and since she was indulged had too much freedom

From that day on I took over my mother's place because I wanted to love my father
When my mother was alive I wasn't loved by anyone.
Love!
Love me!

Please,
I don't need this thing
love me...
Father, Mother, I loved you
I loved you

In the morning I lost the wallet that I got from my father
Lame
So, you ran away?
You're such a silly child
Good night
What a fool

While you study or play with your friends
You can wear this anytime
Doesn't this look good?
Look!
The ones who are silly are the adults
Where have you been?
We were all worried!

Take care! I'll see you on the 10th and 25th
